Money (Eyewitness Books)

Joe Cribb : Money (Eyewitness Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Money (Eyewitness Books):

Full-color photos by the British Museum. "An attractive 'Eyewitness Book' with striking photos and a logically organized text describing what money is, the first coins, paper money, how money is made, and coin-collecting. Photos of current coins and bills used worldwide are of special interest."--Kirkus.
