Worth every penny!By HeatherI have always been a huge fan of Tom Tierneys ever since being given some of his paper dolls for Christmas one year and needless to say, it inspired me to pursue a career in fashion illustration. He can make satin look like satin, lace look like lace and furs look like fur. Its really impressive in doll form and even better in these great included cds!!! A must have for anyone who is a fan of the history of costume and design. I really wish he had one with even more modern fashions!0 of 0 people found the following review helpful.
