## 2000 Baseball Card Price Guide

**Price Guide Editors of Sports Collectors : 2000 Baseball Card Price Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised 2000 Baseball Card Price Guide:

4 of 4 people found the following review helpful. A so-so guideBy A CustomerThis pricing guide was comparable to other guides I have read. It showed nothing to place itself above or below the others in quality. The prices I fear shall soon be out of date and so will this book...0 of 0 people found the following review helpful. This Book was not helpful.By A CustomerI have been collecting baseball cards for a few years and when I need to look up the value of some of my cards this book usually never has them. It is pretty easy to use and is well organized, but It doesn't help

you understand the value of your cards.I suggest that you should keep looking, and buy this only as a last resort.

This is the volume baseball card collectors need to buy and sell smarter, and build collections theyll be proud to display. The 14th Edition of the Baseball Card Price Guide provides the most comprehensive checklist available for cards issued from 1981 - 2000 as analyzed by the hobbys leading team of experts. Current pricing makes previous editions obsolete. This volume includes 175,000+ cards and over 1,500 more sets than the previous edition. All values are based on the latest actual card transactions from coast to coast. And more than 2,000 clear crisp photos make identifying cards easy. -Current market value prices. -All Modern Era baseball cards listed. -Thousands of new 1998 - 1999 cards included.
