2010 U.S. Coin Digest: The Complete Guide to Current Market Values

David C. Harper, Harry S. Miller : 2010 U.S. Coin Digest: The Complete Guide to Current Market Values before purchasing it in order to gage whether or not it would be worth my time, and all praised 2010 U.S. Coin Digest: The Complete Guide to Current Market Values:

0 of 0 people found the following review helpful. Very nice coin bookBy GarycomThe U. S. Coin Digest is a beautiful book! I really like the hardcover/ring binding which holds up well to frequent use. The only gripe I have is the bonus CD. If you look at the instruction pages for the CD at the back of the book, you get the impression that it includes the contents of the entire book in PDF format. Unfortunately, that is not the case. It contains other information not included in the book. I would have liked the book itself to have been included on the CD for the purpose of zooming in on the coin images. Other than that, the book is really nice.0 of 0 people found the following review helpful. Five

StarsBy Frederick ReevesGreat product, no issues.0 of 0 people found the following review helpful. Four StarsBy GrandMaryGiven as a gift.

This easy-to-use, full-color coin reference is great for growing your collection, and helping decide if you can take advantage of today's strong precious metal values with the coins you own. It contains thoroughly updated pricing ? values for up to 11 grades of preservation ? for all circulating and non-circulating U.S. coins, more than 1,500 color photos for accurate identification, and a bonus DVD with additional listings.

About the AuthorDavid C. Harper has more than 44 years experience in the hobby and maintains ties to leading experts within the field. He also edits North American Coins Prices. Harry Miller is a prominent coin dealer and founder of Miller's Mint, bringing a wealth of knowledge and connections.
