EXCELLENT REFERENCE!By Soaring EagleTHE 2011 COIN DIGEST IS AN EXCELLENT REFERENCE FOR COIN PRICES BUT FOR ADDITIONAL INFORMATION PROVIDED BY THE DIGEST AS WELL. FOR ME IT MUCH MORE THAT JUST A PRICE INDEX.I FIND THAT IT CONTAINS A WEALTH OF INFORMATION BEYOND PRICES(E.G.IDENTIFICATION GUIDE, CARE AND STORAGE OF COINS, HOW TO GRADE, ORGANIZATION,TIPS ON BUYING, TIPS ON SELLING. I HAVE ALL OF THE OTHER COINS GUIDES. THIS IS ANOTHER TOOL AVAILABLE TO THE COIN COLLECTOR. ETC. I FEEL THAT MY COIN REFERENCER LIBRARY IS NOT COMPLETE WITHOUT THE 2011 US COIN DIGEST. THIS IS DONE AS A PUBLIC SERVICE.0 of 0 people found the following review helpful. Coin Collectors Dream Book-2011 US Coin DigestBy lookintheheartMy husband loves this book. He said he

wished he had it a long time ago. It has all that he needs to improve his collection. He loves the fact that it's a hard sturdy copy. Thanks to the author. 2 of 2 people found the following review helpful. U.S. Coin Digest By Bill Good book. I especially like the spiral bound for turning to pages I want to review and not having to set something on the pages to keep it open. Easy to read with helpful pictures.

This easy-to-use, full-color coin reference is great for growing your collection, and helping decide if you can take advantage of today's strong precious metal values with the coins you own. It contains thoroughly updated pricing - values for up to 11 grades of preservation - for all circulating and non-circulating U.S. coins, and more than 1,500 color photos for accurate identification.

About the Author David C. Harper has more than 45 years experience in the hobby and maintains ties to leading experts within the field. He also edits North American Coins Prices. Harry Miller is a prominent coin dealer and founder of Miller's Mint, bringing a wealth of knowledge and connections.
