2014 Fruit Crate Labels Wall

Zebra Publishing Corp. : 2014 Fruit Crate Labels Wall before purchasing it in order to gage whether or not it would be worth my time, and all praised 2014 Fruit Crate Labels Wall:

0 of 0 people found the following review helpful. Colorful and Good QualityBy WindowShopperThe calendar I recieved was a little crushed on one of the corners, but since that doesn't have anything to do with the product itself I gave it a 5 star. The calendar was exactly as shown in the pictures and just what I was looking for.

Fruit Crate Labels 2014 features selections from the collections at the Smithsonian Institution. At the end of the 19th century, labels were created so fruit merchants could identify what was in their crates. These vibrant and colorful paper labels became mobile advertisements and are now highly collectible. A popular calendar for anyone who likes vintage art.
