400 Trademarks on Glass

Arthur Peterson : 400 Trademarks on Glass before purchasing it in order to gauge whether or not it would be worth my time, and all praised 400 Trademarks on Glass:

2 of 2 people found the following review helpful. NOT WORTH ITBy Mom and Grandma400 Trademarks on GlassI wish I had read the reviews before I bought this book. I got more information looking at other websites and writing their information down. Again, there is no mention of the copyright date on the description. Why aren't makers listed in alphabetical order, didn't they think that would have helped in researching. It was cheap enough, I am not going to

bother returning it, but I will read reviews before I buy next time.0 of 0 people found the following review helpful.

Five StarsBy noooooooooPerfect condition!0 of 0 people found the following review helpful. Very satisfied with product. Fast shipping.By BobbyVery satisfied with product. Fast shipping.

Many people think that trademarks on glass are few and far between. Consequently, it will probably be a pleasure to learn that over 200 companies in the United States have used 400 or more trademarks on blown, pressed, rut, and engraved glass.

Attention all glass collectors!! Here is the essential handguide to aid anyone interested in the collectible and depression glass market. Years of research on the part of the author produced this illustrated folio. An indispensable tour guide to help identify many glass companies throughout the years, complete with an alphabetical index. -- Book Description
