Five StarsBy Michael AllenA Great Read.0 of 0 people found the following review helpful. how can you go wrongBy chrisBought this book on recommendation of a friend, since my husband is featured in the book..cant go wrong there! added it to our shelf of other memorabilia he is included in3 of 4 people found the following review helpful. A Great Coffe Table BookBy mpd123I received this book as a gift from a friend because he knows how much I love to golf. He also knows I collect golf balls. This book has interesting information about the evolution of the golf ball from its earlier forms through the transformation to what it looks like today.Did you know that there are rare golf balls worth \$20,000? More interesting information like that is throughout the book. All your guests will open it up and flip through it!I have more information about golf balls at:[...]

The first book to cover the complete history of the golf ball, with classifications, descriptions, and prices for old and new balls. Features a reprint of John Stuart Martin's *The Curious History of the Golf Ball*, and documents additional changes the balls and the game have made over the last thirty years. Provides tips for golfers on the effects of these changes on their game.
