## **60's and 70's Decor (Collector's Compass)**

**Collector's Compass : 60's and 70's Decor (Collector's Compass)** before purchasing it in order to gage whether or not it would be worth my time, and all praised 60's and 70's Decor (Collector's Compass):

0 of 0 people found the following review helpful. A Great Guide, But Out of DateBy JPfromOHThe Collector's Compass '60s and '70s Decor volume was published in 2001, which means that some of the information in it (e.g. approximate values for certain items) is by now terribly out of date. However, any potential purchaser should not be put off too much by that fact, particularly if the book is able to be purchased for a low price. As a guide to collectibles and furniture from the 1960s and '70s, this book is wonderful. There are helpful suggestions for negotiating the world

of live and on-line auctions, most of which are still as valid today as they were when the book first appeared. The suggestions on care and maintenance of collectibles, many of which are fussy plastic are also quite valuable, and the bw and color photographs are sure to bring back a feeling of nostalgia for the furniture and collectibles of an earlier era.

Collector's Compass: '60s and '70s Decor From cruising downtown in the new Volkswagen Beetle to blaring a disco beat, Americans are bringing the psychedelic 1960s and the decadent 1970s into the new millennium! This smart guide will introduce you to the star designers and pieces of the period, while offering little-known historical facts about this hot collectible category. Discover everything essential about '60s and '70s decor in this information-packed resource, from where to find and how to value pieces to understanding how the period's modern designs and materials produced such a wide range of collectibles, from pricey design icons to fun affordables. Buying, selling, and displaying your collection--both novices and experts will find this Collector's Compass title a fun and fascinating guide to the world of '60s and '70s decor. The COLLECTOR'S COMPASS series is your affordable, reliable resource for learning how to value, purchase, and care for a range of popular collectibles.
