A Guide Book of Franklin and Kennedy Half Dollars (Official Red Book: Bowers)

Rick Tomaska : A Guide Book of Franklin and Kennedy Half Dollars (Official Red Book: Bowers) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Guide Book of Franklin and Kennedy Half Dollars (Official Red Book: Bowers):

5 of 5 people found the following review helpful. A Must Have for Frankin and Kennedy Half Dollar CollectorsBy David 6602Disclosure: I have purchased coins from the author over a period of years.It is a generally accepted in the numismatic community that Rick Tomaska is an authority if not the leading authority on Franklin and Kennedy Half Dollars. I have collected Franklin Half Dollars over twenty years and will attest to the valluable information relating to

this series in this book. This book will provide the collector of either series valuable information concerning history of the designs to a date by date analysis of populations of the date stratified by grade. One does not have to have the aspirations to complete the highest grade set to profit from the valuable knowledge in this book. Of course if one does wish to even obtain one mint or proof strike example of the series, this volume will aid you in the selection of your example. Collectors interested in circulated examples will find this book a valuable aide in obtaining the better examples for the date. One can always join the American Numismatic Association (ANA) and check this book out for free. A Guide Book of United States Coins 2011: The Official Red Book (Guide Book of U.S. Coins: The Official Redbook) 2 of 2 people found the following review helpful. Collector By Daniel Mcmunn I purchased this book a year ago and it gave me insight on how the Franklin and Kennedy halves are minted. I didn't know what basening is and how it applies to coin dies. This is the 15th book in the set and I started with this book and read all of them. I also learned the processes of making dies and when and where collars are made. 0 of 0 people found the following review helpful. A must have guide for the Franklin and Kennedy half ... By Bruce Klosowsky A must have guide for the Franklin and Kennedy half collector. Rick Tomaska is THE authority on these half dollar series. He has done a tremendous amount of work and research and has put it into this book.

By Rick Tomaska History ? Rarity ? Values ? Grading ? Varieties A Guide Book of Franklin and Kennedy Half Dollars is the 15th entry in Whitman's bestselling Bowers Series of numismatic reference books. Franklin and Kennedy half dollars are affordable favorites of collectors. Lavishly illustrated in full color, this book features high-resolution enlargements for important overdates and other varieties. Mintages, specifications, market values in multiple grades (including Full Bell Lines for Franklin halves), inside information on set registries, and buying tips add to the book's importance as a standard reference. A Guide Book of Franklin and Kennedy Half Dollars will deepen your appreciation and make you a smarter buyer and collector of these popular U.S. coins. 304 Pages, Full-Color, Softcover, \$19.95
