mercury dimes with the winged messenger god, Mercury, (the planet's namesake, for its speedy journey around the sun) is a beautiful design that matches in style and grace the two turn of the century ladies on our quarter and half-dollar coins from the early teens of the 20th century. These coins are highly collectible and are celebrating a century of numismatic history. David Bowers is the expert in coin collecting and his remarks are treasures. Each of the Guide Books belongs in any serious collectors library.0 of 0 people found the following review helpful. Volume #18 in Whitman's best-selling Bowers Series covers three of the most popular U.S. coins: Mercury dimes, Standing Liberty quarters, and Liberty Walking half dollars. These classic silver coins were minted between 1916 and 1947, an era spanning two world wars and the Great Depression. Now the Dean of American Numismatics, Q. David Bowers, gives collectors a single-volume study of technical, historical, and market-oriented advice and insight. Contents cover how to grade your collection, tips on smart buying, current retail values, and a thorough analysis of each date and mintmark. Lavishly illustrated in full color, the book features high-resolution enlargements for important overdates and other die varieties. Mintages, specifications, certified population data, and other details add to the book's importance as a standard reference. Colorful essays set the coins in the context of the time period. This Guide Book will deepen your appreciation and make you a smarter buyer and collector of these popular U.S. coins.
