A Guide Book of Peace Dollars, 3rd Edition (The Official Red Book)

Roger W. Burdette : A Guide Book of Peace Dollars, 3rd Edition (The Official Red Book) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Guide Book of Peace Dollars, 3rd Edition (The Official Red Book):

0 of 0 people found the following review helpful. good readBy Customernice book0 of 0 people found the following review helpful. Five StarsBy CustomerGreat Book,,,,Tells all u need to know to be a Peace Dollar Collector,,,,Highly Recommend,,,,,0 of 0 people found the following review helpful. All words accounted forBy AdamBook came with all the words and even had some pictures!

The silver Peace dollar issued from 1921 through 1935 was a coin that commemorated the end of the most traumatic war in human history. In the Guide Book of Peace Dollars, award-winning author Roger W. Burdette explores these fascinating and collectible coins, covering every date and mintmark of America's last 90% silver dollar. He also studies the mysterious 1964-D Peace dollar, as well as Proofs, patterns, trial pieces, errors and misstrikes, countermarks, die varieties, and famous collections. Burdette explores the origins and history of the Peace dollar (including the American Numismatic Association's involvement), early designs and casts, the coin's production process, ways to collect, preservation, the market effect of hoards and meltings, and unusual examples, including some from the personal collection of a former Mint director! Other features include a coin-by-coin analysis with market values and certified population data, biographies of key participants in the Peace dollar's story, Van Allen-Mallis numbers, a bibliography, and more.

"Burdette breaks ground with continued discoveries in this series, revealing a newly discovered die variety and unveiling a photo of the obverse die for the legendary 1964 Peace dollar. This study is a must-have!" --Steve Roach, Coin World Editor-at-Large

From the Inside Flap: The silver Peace dollar issued from 1921 through 1935 was a coin that commemorated the end of the most traumatic war in human history. In *A Guide Book of Peace Dollars*, third edition, award-winning author Roger W. Burdette explores these fascinating and collectible coins, covering every date and mintmark of America's last 90% silver dollar. He also studies the mysterious 1964-D Peace dollar, as well as Proofs, patterns, trial pieces, errors and misstrikes, countermarks, die varieties, and famous collections. Burdette explores the origins and history of the Peace dollar (including the American Numismatic Association's involvement), early designs and casts, the coin's production process, ways to collect, preservation, the market effect of hoards and meltings, and unusual examples. Other features include a coin-by-coin analysis with market values and certified population data, biographies of key participants in the Peace dollar's story, Van Allen-Mallis numbers, a bibliography, and more.
