A history and description of English earthenware and stoneware: to the beginning of the 19th century

William Burton : A history and description of English earthenware and stoneware: to the beginning of the 19th century before purchasing it in order to gage whether or not it would be worth my time, and all praised A history and description of English earthenware and stoneware: to the beginning of the 19th century:

This book was digitized and reprinted from the collections of the University of California Libraries. It was produced from digital images created through the libraries mass digitization efforts. The digital images were cleaned and prepared for printing through automated processes. Despite the cleaning process, occasional flaws may still be present that were part of the original work itself, or introduced during digitization. This book and hundreds of thousands of others can be found online in the HathiTrust Digital Library at www.hathitrust.org.

About the Author William C. Burton is the creator of The Legal Thesaurus, which was recognized by the Association of American Publishers as one of the most innovative projects of the year at its 1980 debut. He is a partner in the nationally recognized law firm of D'Amato and Lynch, New York, New York. He has served as a New York State Assistant Attorney General and as Assistant to the New York Special Prosecutor. Burton is the creator of the Burton Awards for Legal Achievement, which he has instituted in Washington D.C. in cooperation with the Vice President's office. Through the awards program, Mr. Burton hopes to continue to encourage the refinement and enrichment of legal writing.
