Action Shooting Cowboy Style

John Taffin : Action Shooting Cowboy Style before purchasing it in order to gage whether or not it would be worth my time, and all praised Action Shooting Cowboy Style:

9 of 9 people found the following review helpful. You'll read this over and over again:By Alan C. SimkinWhile this book may not address the exact how-to's of CAS (cowboy action shooting) as much as some other titles, that in no way takes away from the value of the book. This book is a goldmine of information about single action pistols of all kinds. It also reviews the roots of CAS as well as clothing, gear, leather, loads and reloading components. This has become one of my very favorite books, and I find myself re-reading it about once a year. Taffin writes in an honest, straightforward style that makes the reader feel that they are having an informal conversation with a trusted friend. Even if you only have an interest in old west guns, and don't even shoot CAS, this book will be an excellent addition to your library. I consider this Taffin's masterwork, and it will be very difficult for any writer to ever top it.0 of 0 people found the following review helpful. is no exception. I thoroughly enjoyed the discussions and examples of cowboy action firearms and the various ammunition used. A valuable addition to any cowboy gun library. 3 of 3 people found the following review helpful. Great, Informative, Lots of Information By RoadMapp Interested in Cowboy Action Shooting, then add this to your list to begin and as a future reference book. Helped me in every aspect of preparing for the coming season and my start in this fun, exciting sport,

The thunder of a Colt Peacemaker will ring in your ears as nationally known handgun expert John Taffin brings the lore of the wild west to the era of modern shooting competition. Feel the rich gun leather and taste the smoke of America's fastest-growing shooting game. Every aspect is explained for shooters of all levels. Join the fun of cowboy-style shooting. Let John Taffin take you from the general store where he'll show you the latest in old western garb, to the firing line where some of the fastest guns around drop the hammer in search of a winning score.
