Agile Hands and Creative Minds

Donald Clay Johnson : Agile Hands and Creative Minds before purchasing it in order to gage whether or not it would be worth my time, and all praised Agile Hands and Creative Minds:

0 of 0 people found the following review helpful. wrong expectations, I guessBy Tina W.This a bibliography. That, I expected. It is inly that. No photographs, pictures of any kind to show the various arts and crafts catalogued. Given the subject, that seems like a real oversight. Otherwise, it was informative...if indeed, there are almost no indigenou crafts in Sri Lanka.

This comprehensive work focuses on literature relating to the textile traditions of Afghanistan, Bangladesh, Bhutan, India, Nepal, Pakistan, and Sri Lanka. Indexes by author, museum, geographic location, and subject allow immediate access to relevant sources.

About the AuthorDr. Johnson is the Curator of the Ames Library of South Asia at the University of Minnesota. He has lectured and published on numerous aspects of South Asian textiles.
