Airstreams Custom Interiors

David Winick : Airstreams Custom Interiors before purchasing it in order to gage whether or not it would be worth my time, and all praised Airstreams Custom Interiors:

1 of 1 people found the following review helpful. Practical Real-World Travel Trailer RenovationsBy Doug McCartneyIt has a nice collection of photos from Airstream's files of some of their best products, plus photos and descriptions of the author's work. The custom renovation work shown is very practical for a travel trailer. The photos of the renovated trailers vary in quality and are sometimes disturbingly fuzzy or perspective-distorted. For inspiration, it's definitely worth having this book if you're going to do your own renovation, as I am, but don't expect to see in this book custom-yacht level of quality photos or work.0 of 0 people found the following review helpful. Airstream must have bookBy DahJewMost amazing fabrications to a classic airstream I've ever seen. Beautiful in every way especially if you are lucky enough to have one or 2 in the book1 of 1 people found the following review helpful. Pretty disappointing, but it may have been my fault ...By Kathryn Frizzelli was under the impression this would be a collection of different refurbished airstreams from lots of different designers and DIYers. It's mostly a portfolio for one guy and features about 5 trailers total. Pretty disappointing, but it may have been my fault for not reading the description thoroughly?

Few shapes rolling down the highway are as instantly recognizable as silver Airstream trailer homes. With over 200 sparkling color images and engaging text, this book presents David Winick's adventure re-creating custom-built Airstream home trailers that date from1948 to 2007, including his 75th Anniversary Bambi trailer. The challenge of making functional and beautiful small living spaces helped drive the restoration work. Learn the process, beginning with empty shells and ending with rolling Airstream art. This book will enlighten the growing legion of Airstream aficionados, architects and designers with a passion for small space living, and all who have ever camped or admired an Airstream.

About the Author David Winick is considered one of the premier builders of custom Airstream home trailers in the United States.
