All about Doll Repair Care

Carol Lindberg : All about Doll Repair Care before purchasing it in order to gage whether or not it would be worth my time, and all praised All about Doll Repair Care:

0 of 0 people found the following review helpful. Three StarsBy MM3860good basic info1 of 2 people found the following review helpful. Birthday presentBy Sharon L. TrimbleI purchase this for a family member who loves dolls. She has request this for her bday. She has been reading it.68 of 69 people found the following review helpful. All About Doll Repair CareBy A CustomerThis book is for the very basic beginner. It does not have sections on eye repair for vintage dolls--the rocker type. It covers very little on composition dolls. She endorses products and procedures that serious doll doctors advise against. Such as using starch in doll clothes and she doesn't hesitate to mix doll parts. Basically, the book is an adorsement of a cleaner product the author sells.

If you have a doll that has been well played with and you need to give it some special care then this book will help you restore your treasure. Doll repair and restoration expert, Carol Lindberg, gives you tips and techniques on repairing

and caring for your beloved dolls. After many years running a doll hospital, Carol is retired now and wants to share a multitude of repair techniques and secrets with readers. This book will be invaluable to anyone who owns and loves dolls regardless of their skill level. It can help you make the decision as to whether or not you can restore the doll yourself or leave it to an expert. There is a very high demand for more people to learn this trade and the author has featured informative guidance towards the doll repair business aspect as well.
