Along Ohio's Historic Route 20 (Postcard History)

Michael J. Till : Along Ohio's Historic Route 20 (Postcard History) before purchasing it in order to gage whether or not it would be worth my time, and all praised Along Ohio's Historic Route 20 (Postcard History):

0 of 0 people found the following review helpful. Nice photosBy CustomerVery interesting photos. I grew up near this road but never knew the history behind it. Well written.0 of 0 people found the following review helpful. quick readingBy Gary DanielsLove reading about Ohio's history. Live in northwest Ohio and have seen several of the sites. Also have looked up some sites on Internet and found them to be still standing.

Route 20 was named a federal highway in 1926, and for the first half of the 20th century it was the most important east-west road across northern Ohio. Extending from the Pennsylvania border east of Conneaut to its western terminus

with Indiana, it made Ohio the connecting link between Northeastern and Midwestern states. Fortunately, Route 20 has remained virtually intact and can be traveled much as people did in years past. Postcard History Series: Along Ohios Historic Route 20 celebrates such a trip, illustrated by more than 200 vintage postcards depicting views along the way. Town and city scenes, rural vistas, and historic sites that drew early motorists to the highway are featured. Not to be forgotten are the tourist courts, hotels, diners, and gas stations that made automobile journeys possible.
