[Ebook free] American Automobile Trademarks 1900-1960

American Automobile Trademarks 1900-1960

C. H. Wendel : American Automobile Trademarks 1900-1960 before purchasing it in order to gage whether or not it would be worth my time, and all praised American Automobile Trademarks 1900-1960:

1 of 1 people found the following review helpful. huge disappointmentBy carcrazy "dan"i tried to find some good in this book but the only thing i found was i am glad i got it so cheap.... all of the trademarks appear to be printed with a cutout potato stamp by children.....there isnt a real nice one in the bunch.....there are many pages where just plain text letters are used to spell out a company....the short description for each logo is short and sometimes not even known....what text used is said to be from a weekly magazine called the patent office gazette...BUT ...it does have a lot of information about trademarks from companies long long gone and as far as i know its the only book like this....i just wish the graphics were better...there has to be actual examples of some of these out there somewhere and there isnt one photo of an actual example in this book....buy it cheap0 of 0 people found the following review helpful. american automobile trademarks 1900-1960By Wayne E. LarsenI liked it because it had the information in It that I needed It was in good condition, and its something I will be able to use for years to come. thank you for allowing me the opportunity to acquire the publication
