American Character Dolls, Identification Value Guide

Judith Izen : American Character Dolls, Identification Value Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised American Character Dolls, Identification Value Guide:

2 of 2 people found the following review helpful. A little disappointingBy Mary MeinsI read the other reviews before purchasing this book and, frankly, I am a little disappointed. The illustrations and photos are good but not great. Also, I have some American Character dolls that are not in the book at all and I was hoping to learn more about them. The Tressy doll section is particularly disappointing as I was hoping for a definitive way of determining a clone from the real thing. Also, I have a 14 inch Toni bride doll in her original outfit and she came with two pairs of shoes. I have no clue which pair is the one that officially goes with this outfit and this book was no help in solving that puzzle. I have rarely seen my doll at shows or on EBay and either the shoes are missing completely or they are identified as replacements. The book is somewhat helpful with identifying dolls and outfits but is in no way complete.0 of 0 people found the following review helpful. Five StarsBy Customerhad several dolls to identify and even was able to help on a

doll blog.3 of 3 people found the following review helpful. Love this book!By LynnMy favorite doll manufacture of the fifties. Pictures are big enough to see detail and descriptions are well done. Value guide current and realistic. As these are the dolls of my childhood I never tire of looking at dolls I held, dressed and loved. Has been great to identify dolls in my collection and recognizing original clothing styles if doll needs re-dressing, styling of hair and accessories.

A must have for lovers of these beautiful dolls.

Sweet Sue, Betsy McCall, Tiny Tears, Little Ricky, Whimsies, Toni, Toodles, and Tressy, American Character's most popular dolls, are known for their high quality construction and beautiful clothing. Over 1,000 full-color photos cover the entire line of over 100 dolls produced, from composition to vinyl. Dolls and their fashions are depicted, with captions listing the year the doll was produced, marks, description, and current collector value. A brief history of the company is included, as well as a helpful index. 2004 values.

This book is the first on this subject ever to be published. Author Judith Izen is well known for her knowledge in the doll field, and this book is one of her best yet. A thorough history of the company is included, along with hundreds of color photographs. About the Author Judith Izen is the author of two bestselling doll books, Collector's Guide to Ideal Dolls, now in its third edition, and American Character Dolls, and is the co-author of the Collector's Encyclopedia of Vogue Dolls, now in its second edition.
