Happy Holidays: The Golden Age of Railway Posters

Michael Palin : Happy Holidays: The Golden Age of Railway Posters before purchasing it in order to gage whether or not it would be worth my time, and all praised Happy Holidays: The Golden Age of Railway Posters:

The advertising posters of the 30s, 40s and 50s are the focus of this nostalgic look back at railway holiday posters and the graphic artists who produced them. Michael Palin provides an entertaining introduction. '
