Harajuku Paper Dolls: Japanese Street Fashions!

Greg Paprocki : Harajuku Paper Dolls: Japanese Street Fashions! before purchasing it in order to gage whether or not it would be worth my time, and all praised Harajuku Paper Dolls: Japanese Street Fashions!:

The Japanese fashion trend known as harajuku draws its inspiration from Victorian gothic, glam, and manga styles, focusing on bright colors and cartoon-like accessories. This collection features four paper dolls and a vibrant wardrobe of flouncy mini-skirts, platform shoes, and hats, as well as loads of playful ornaments, including hair bows and costume jewelry.
