Hawaiian Shirt Designs (Schiffer Design Books)

Nancy N Schiffer : Hawaiian Shirt Designs (Schiffer Design Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hawaiian Shirt Designs (Schiffer Design Books):

1 of 1 people found the following review helpful. For serious vintage shirt collectors!By Daniel G. BrodekAn excellent book for serious vintage Hawaiian shirt collectors! Schiffer focuses mainly on designers from the 1940's and 1950's. The full color illustrations are absolutely beautiful, and the label collection display at the back of the book is the best I've seen... DGB0 of 0 people found the following review helpful. Four StarsBy W. B. HollowayWonderful Hawaiian shirts - love to wear 'em - I check eBay buys with this reference.0 of 0 people found the following review helpful. Five StarsBy CustomerGood book

Beautiful and wild print shirts evolved from the special culture of Hawaii, a paradise of mild climate, clean water, and abundant flowers. With their beautiful Island landscapes, colorful tropical flowers, Asian images, surfer boys, and hula girls, Aloha shirts are great fun to wear and own. In this expansive book, over 425 different shirts are displayed in clear color photographs along with an historical text, women's clothing, 20 different button styles, and -- for the first time -- 229 researched manufacturer's and retail labels which help to date and identify the shirts. Graphic designers will revel in the diversity of "Hawaiian" designs and the remarkably beautiful colors of the prints.

About the AuthorInterested in objects which represent different cultural expressions, Nancy Schiffer has studied and written books about jewelry, porcelain, textiles, toys and antiques.
