Heywood-Wakefield Modern Furniture

Steven Rouland, Roger W. Rouland : Heywood-Wakefield Modern Furniture before purchasing it in order to gauge whether or not it would be worth my time, and all praised Heywood-Wakefield Modern Furniture:

127 of 129 people found the following review helpful. THE must-have book for Heywood-Wakefield collectorsBy A CustomerI have just started collecting Heywood-Wakefield furniture. I began after seeing a show on Home and Garden TV Network on the reissued Heywood-Wakefield line currently being manufactured. I ordered a catalog from them, visited their web site, then started looking for dealers here in Dallas. Long story short, I found a gentleman here in Dallas who buys and sells antique Heywood-Wakefield pieces. I looked at what he had to offer, and ended up spending a small fortune on several pieces for my bedroom and living room. He swore by this book. This is the Heywood-Wakefield collector's Bible. It has a comprehensive list of nigh every piece Heywood-Wakefield made from about the '20s on. It has pictures of all the pieces, comments on the piece's designer(s), history, and most importantly,

an updated (1999) pricing list. Buy this, and you and your dealers will always "be on the same page," literally, when it comes to discussing pieces. This is especially helpful to those who are buying from dealers cross-country. A definite must-have!!! 1 of 1 people found the following review helpful. or pictured for easy reference. Fantastic list of all furniture models by ...By dataman Absolute necessity for the Heywood Wakefield collector. Every make and model photographed, mostly black and white, or pictured for easy reference. Fantastic list of all furniture models by number and year of manufacture. 0 of 0 people found the following review helpful. Indispensible for Heywood-Wakefield Enthusiasts By Erpye The bible for Heywood-Wakefield enthusiasts - complete and worth every penny. Provides a comprehensive overview of the company, the product lines, and the relative rarity and value of each piece the company made.

This stylish collector's guide is the first to acknowledge the highly collectible 'modern' furniture made by the Heywood-Wakefield company. Vintage advertisements, photos, and catalogs are featured in addition to the identification section. Virtually every piece of modern furniture the company produced between 1936 and 1965 is illustrated and identified by model number, description, and years manufactured. 2004 values. REVIEW: This book is an industry standard on Heywood-Wakefield Modern Furniture. It answers many questions about the furniture and helps readers appreciate the beauty of its fine craftsmanship.
