Sterling E Lanier : Hiero's journey;: A romance of the future, before purchasing it in order to gage whether or not it would be worth my time, and all praised Hiero's journey;: A romance of the future,:

0 of 0 people found the following review helpful. the students loved it. She is a collage ProfessorBy ron bibleI read this book many years ago and had forgotten the Title. Had mention to someone on facebook about a Moose that could use telepathy. She said, oh that is Hiero's Jorney. I used that book in one of the classes, the students loved it. She is a collage Professor. So i got it to read again. It is a very good book Well worth reading a time or two.6 of 6 people found the following review helpful. A beautiful book marred by publisherBy Kindle CustomerI would wholeheartedly give a 5 star to this book as it is one of the finest example of post-apocalyptic fiction.However, Kindle edition is so badly ruined by publishers decision to just use a bad OCR device on the book and do absolutely no editing or even proofreading afterwards.For this, shame on you Sterling Media Group because you defiled such a beautiful book and because you shamelessly sell it in this shape.0 of 0 people found the following review helpful. A must read for sci-fi fansBy teddybear in the kitchenMany years ago I picked up a hard back edition of this book complete with the second volume in the series. It was on a cart of books with a free sign on the front. I was a bit dubious at first, but was bored so started reading. WOW! It turned out to be one of my all time favorite books. So I was quite pleased to see it available on Kindle. I bought it and am current re-reading it. It is very fast moving, holds your interest well and the story line is quite gripping. A rollicking good read!

Per Hiero Desteen was a priest, a telepath -- and a highly trained killer. Together with his great riding moose and the young bear who was his friend, he was on an extraordinary mission. For this was five thousand years after the

holocaust known as The Death. Now the evil Brotherhood of the Unclean was waging all-out war against the few remnants of normal humanity, determined to wipe out all traces of its emerging civilization. Hiero's task was to bring back a lost secret of the ancients that might save the humans. But his path lay through the very heart of the territory ruled by the Unclean and their hordes of mutated, intelligent, savage beast followers. And the Unclean were waiting for him!

From the Inside Flap Per Hiero Desteen was a priest, a telepath -- and a highly trained killer. Together with his great riding moose and the young bear who was his friend, he was on an extraordinary mission. For this was five thousand years after the holocaust known as The Death. Now the evil Brotherhood of the Unclean was waging all-out war against the few remnants of normal humanity, determined to wipe out all traces of its emerging civilization. Hiero's task was to bring back a lost secret of the ancients that might save the humans. But his path lay through the very heart of the territory ruled by the Unclean and their hordes of mutated, intelligent, savage beast followers. And the Unclean were waiting for him!
