Historic Cars Photo Cards: 24 Cards (Card Books)

From Dover Publications : Historic Cars Photo Cards: 24 Cards (Card Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Historic Cars Photo Cards: 24 Cards (Card Books):

I purchased this because I had an idea of painting something with old cars in it. The photos are clear and are good material to draw from.3 of 3 people found the following review helpful. Nice mix of historic cars including some rare prototypes - postcardsBy DAVERATThis is a book of standard size postcards with perforated edges that you tear out. I make a point of very lightly trimming the bumpy edges before mailing. I bought this because a family friend was doing time in a County Jail for a probation violation and he loved receiving the cards. He said they were a huge hit with everyone in his dorm and when he cleared up his case and got released he gave away all the cards I had sent to guys who asked for them.The mix of cars represented go from the very early horseless carriage looking cars on up through the early 60's. There's an emphasis on cars that had breakthrough styling or iconic status. Most of the cars

are American. The photography presents the cars very well. Here's a partial list of some of the cars represented: Pontiac GTO 1965 Ford Mustang Convertible 1965 Studebaker Avanti 1963 Chevy Vel Air Convertible 1956 Cadillac Eldorado 1959 (the one with the tail fins) Ford Thunderbird 1956 Mercedes-Benz 300 SLR 1955 Ford X-100 1953 (a major step forward in style) Studebaker Starlight Coupe 1951 Buick LeSabre 1950 Buick Y-Job 1938 Ford Hot Rod 1932 Bugatti Royale Cabriolet 1931 Duesenberg Victoria 1931 Auburn Phaeton 1930 Packard roadster 1929 LaSalle Roadster 1927 Stutz bearcat 1923 Brewster Landaulet 1915

Superb photographs include Ford's first 2-cylinder runabout, a 1923 Stutz Bearcat, 1955 Mercedes-Benz 300 SLR, and 1959 Cadillac Eldorado convertible. Descriptive notes.
