## **Hold Your Peace: Healing Scars of Conflict**

**Beatrice Sithole : Hold Your Peace: Healing Scars of Conflict** before purchasing it in order to gage whether or not it would be worth my time, and all praised **Hold Your Peace: Healing Scars of Conflict**:

**Hold Your Peace** is a true Zimbabwean story that captures the events that triggered the war of liberation. It relates with reasonable detail what exactly transpired during the heat of the war, post war events as well as the independance.

Great names such as Joshua Mqabuko Nkomo, Tongogara, Robert Gabriel Mugabe and others that played a major role

leading to the success of the struggle are carefully discussed here. The civil war that later on occurred between the Shona speakers and the Ndebeles is also touched explicitly with a clear invitation for all Zimbabweans to unite against contention which more than any thing else, has led our our country to near destruction with regards to economic status....
