Gary Franklin Hartman : Homebuilt Clocks before purchasing it in order to gauge whether or not it would be worth my time, and all praised Homebuilt Clocks:

2 of 2 people found the following review helpful. Hobby CraftBy MorpheusThis is a very valuable book for the beginning clock craftsman. the clocks illustrated in this book can be built on any budget. I highly recommend this book anyone wishing to be build clocks. the seller has veryprompt shipment.I look forward ti future items from this seller.

"Homebuilt Clocks" provides step by step details for building large, beautiful, antique style heirloom Grandmother Wall Clocks and mantle clock variations using attractive Hardwoods, dials, weights and Brass hardware. The finished

clocks are attractive and functional and will give the builder great pleasure in both the craftsmanship and final beauty.
A wonderful addition to a woodcrafter's library.
