House of Collectibles Price Guide to Star Wars Collectibles: 4th edition

Sue Cornwell : House of Collectibles Price Guide to Star Wars Collectibles: 4th edition before purchasing it in order to gage whether or not it would be worth my time, and all praised House of Collectibles Price Guide to Star Wars Collectibles: 4th edition:

0 of 0 people found the following review helpful. Five StarsBy Gary FearnFull of great information2 of 2 people found the following review helpful. Good book but out of dateBy A CustomerIt is a great book but this is 2000 and it was released in 1998. Since then there has been a great number of additions to the Star Wars Collectibles universe and the problem with this book along with any other book / price guide is usually as soon as you get it the prices have changed and numerous items have been released. For referance it is a good book just dated.

MORE THAN 3,500 PRICES LISTED!A long time ago, in a toy store far, far away, a Star Wars action figure could be found on sale for ninety-nine cents. But today, anything associated with the Star Wars phenomenon is big business and big bucks. When the first film dazzled viewers and critics the world over in 1977, an incredible area of collecting made its quantum leap into hyperspace. * **COMPREHENSIVE.** From toys, costumes, and stuffed creatures to videos, posters, and trading cards, House of Collectibles Price Guide To Star Wars Collectibles lists more than 3,500 prices that span the classic trilogy: Star Wars, The Empire Strikes Back, and Return of the Jedi (including those hot promotional items that were emblazoned with the original title, Revenge of the Jedi).* **WRITTEN BY EXPERTS.** Sue Cornwell and Mike Kott are founders of Intergalactic Trading Company, Inc., which specializes in Star Wars collectibles. They have attended hundreds of conventions as dealers. Intergalactic is one of the most active companies in the country dealing with Star Wars memorabilia.* **PROFESSIONAL ADVICE.** Helpful tips on building a collection and important information on the condition and care of your investment.* **SPECIAL SECTIONS.** An on-target market review features important information for determining authenticity--plus updated material on dealers, clubs, conventions, and fanzines.* **FULLY ILLUSTRATED.** House of Collectibles Price Guide To Star Wars Collectibles is packed with photographs for easy identification, including an eight-page color insert.
