Hove International Blue Book: Millennium Edition

John Wade : Hove International Blue Book: Millennium Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Hove International Blue Book: Millennium Edition:

1 of 1 people found the following review helpful. Great information !By CG VeachThis is a great book for camera information and relative values for vintage camera. Has hundreds of listings for vintage and antique camera as well as dates of manufacture, where manufactured, pricing, etc. I have used this book a lot to get values for cameras I sell and purchase!0 of 0 people found the following review helpful. Five StarsBy Jeffrey Cogswellgreat book - thanks a lot0 of

0 people found the following review helpful. Four StarsBy Jubilantes72Useful with a lot of photo.

This book contains a considerable number of cameras that are becoming of interest to the collector. Completely updated to include nearly 200 more cameras and a new price code. "The Blue Book", now with more entries and more prices, is the only camera-collectible guide that can be easily carried. Contains more than 1,000 photographs, with a price and rarity code under each photo.
