Howards End [UNABRIDGED CD] (Audiobook)

E. M. Forster : Howards End [UNABRIDGED CD] (Audiobook) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Howards End [UNABRIDGED CD] (Audiobook):

0 of 0 people found the following review helpful. Couldn't get through it. By Sally Finkbeiner I wanted very much to like this book but found it dry and confusing. I was very disappointed. So sorry. 0 of 2 people found the following review helpful. DON'T BUY THIS VERSION -- Great book but Missing 2nd CD By Christine Torres The 2nd CD in this collection is a duplicate of the 3rd CD, labeled wrongly. I kept hoping the content from CD 2 would show up on one of the other CDs but it didn't. I LOVE this book, and the audio cd is well done in all other respects, well read, enjoyable, can't really go wrong with Forster... unless somebody messes up in the production of the CDs. I actually had to pull out the book to read the missing chapters, I really missed them! I've contacted Blackstone Audio to request a fix, but we'll see if there's one coming. I'll update this review if so. ***** UPDATE ***** I've received replacement CD's from Blackstone Audio, am very pleased with their customer service and with the new CD's. Listening to the book now. :)

Set in Edwardian England, *Howards End* is the portrait of a lost era, a deceptively golden time before the First World War that would change values and lifestyles forever. To illuminate these changing times, Forster throws together three vastly dissimilar classes of people: the Schlegels-Helen and Margaret-educated, compassionate and independently wealthy; the Wilcoxes-nouveau riche Empire builders; and Leonard Bast, an ambitious but struggling bank clerk. As

these three groups move in and out of each other's worlds, disasters and discoveries ensue.
