before purchasing it in order to gage whether or not it would be worth my time, and all praised Huxfords Collectible Advertising: An Illustrated Value Guide, 4th Edition:

4 of 4 people found the following review helpful. The 4th Edition Of The Popular Guide To Ad Collectibles By Irvin Goodman This is the 4th edition (1999) of the useful guide to ad collectibles. It features 320 pages, in a beautiful library laminated cover. This volume is loaded with information and prices (1999). Item descriptions are complete, with more than 600 great full color photos. The volume includes a complete auction and dealer directory and information on item condition and its affect on value. Each item is listed alphabetically. This is a must-have volume for the ad item

collector. Add it to your library.

This new edition is completely revamped, with all-new listings and photos. It includes over 600 full-colour photos and over 10,000 listings with current values. Both antique and modern advertising collectibles are included. All listings are coded to identify the source, with many indicating the specific dealer who provided the information should you want to contact him in your quest to purchase similar merchandise.
