Identification Discs of Union Soldiers in the Civil War: A Complete Classification Guide and Illustrated History

Larry B. Maier, Joseph W. Stahl : Identification Discs of Union Soldiers in the Civil War: A Complete Classification Guide and Illustrated History before purchasing it in order to gage whether or not it would be worth my time, and all praised Identification Discs of Union Soldiers in the Civil War: A Complete Classification Guide and Illustrated History:

1 of 1 people found the following review helpful. all and more than expectedBy CustomerIt was a great addition to my reference library! Any civil war collect needs a copy of this in their library0 of 1 people found the following review

helpful. civil war dog tags bookBy Mebook just ok would of helped if it had some color plates for the money ,shipping was very late book was not packed well i would look some more before buying this book .0 of 1 people found the following review helpful. Five StarsBy Rance HulshartVery good book

As an iconic symbol of the American GI, the dog tag has gained considerable cultural recognition. This book returns to the origins of the dog tag with an in-depth look at all 49 styles of Civil War era Union identification discs, including detailed photographs and histories for individual discs as well as a general history of the origin and production of identification discs. This work also provides a general guide to the authentication of identification discs for use by collectors.

"detailed, fascinating, and highly readable...highly recommended for collectors and libraries with an interest in the Civil War" --Arba"meticulously researched" --swpacivilwarAbout the AuthorAttorney and civil war lecturer Larry B. Maier lives in Ephrata, Pennsylvania. Joseph W. Stahl is a retired researcher for the Institute for Defense Analyses. His articles have appeared in the Gettysburg Magazine, Civil War Historian and other publications. He lives in Keedysville, Maryland.
