## **Illustrated Baseball Card Price Guide: 1993 Collector's Edition**

**Assistant Professor of Music Thomas Owens : Illustrated Baseball Card Price Guide: 1993 Collector's Edition**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Illustrated Baseball  
Card Price Guide: 1993 Collector's Edition:

45 years of the finest baseball cards in full color. For serious collectors and those who simply enjoy great baseball cards, the Illustrated Baseball Card Price Guide - 1993 Collector's Edition provides current values and outstanding color photos of the best cards in the hobby today. More than 33,000 individual entries for cards from Bowman, Donruss, Fleer, Score, Topps and Upper Deck. Hundreds of cards beautifully reproduced in full color. Promising rookies clearly identified; undervalued cards marked as Best Buys.
