Four StarsBy Sue T.Would have liked the photo quality to be better, but useful information to start off projects.0 of 0 people found the following review helpful. Scattered thoughtsBy josh herndonNot a well written book. Needs focus.0 of 0 people found the following review helpful. Five StarsBy Keith Hackergreat book

Best guide to subject. 267 individual pieces in 175 photographs: chairs, footstools, tables, clocks, stoves, other pieces. Additional 60 photos show finials, decals, peggings, caning, drawers, more. Captions provide details on size, color,

wood, etc.
