Introducing a new collection of notebooks with iconic images from the archives of the Imperial War Museum, these notebooks are exquisitely finished and cloth bound with wood-free paper, large back pocket, and elastic closure. These striking images were originally illustrated for World War II posters. British wartime posters were distinctive in their

incorporation of propaganda, which used modern design aesthetics in support of a variety of vital wartime initiatives. The posters reveal the spirit of defiance and calm purpose pervading British society, and the illustrations are indicative of the typical graphic style of the wartime period.
