Indian Axes Related Stone Artifacts (Indian Axes Related Stone Artifacts: Identification Values)

Lar Hothem : Indian Axes Related Stone Artifacts (Indian Axes Related Stone Artifacts: Identification Values) before purchasing it in order to gage whether or not it would be worth my time, and all praised Indian Axes Related Stone Artifacts (Indian Axes Related Stone Artifacts: Identification Values):

0 of 0 people found the following review helpful. Fantastic Lar Hothem bookBy Far East MomAmazing book featuring incredible photos! VERY hard to find books like this.0 of 0 people found the following review helpful. best guide I have seen- found picture of the prehistoric ...By richardbest guide I have seen- found picture of the prehistoric American indian hand stone axe, my grandfather gave me around 1957, he found itwhile plowing a field in southern Iowa about 1895. Value for my axe - listed at \$1,000,00 +0 of 0 people found the following review helpful. Great

informationBy CDGlad I purchased this book. The author did a thorough job.

This is the only book available, designed for collectors, about prehistoric Indian axes. The author of the popular four-volume Indian Artifacts of the Midwest series has brought back this title for a second edition, which includes almost 500 b/w photos and now includes an all-new colour section with almost 100 photos.
