Indian Dolls (Schiffer Book for Collectors)

Nancy N Schiffer : Indian Dolls (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Indian Dolls (Schiffer Book for Collectors):

0 of 0 people found the following review helpful. Five StarsBy Anna HecoxI enjoyed the book as I collect these dolls.1 of 1 people found the following review helpful. A Surprise FinedBy J. CrivelliMy wife,Rosemary, learned about Small Spirts at the National Museum of the American Indian New York site (George Gustav Heye Center).When I ordered Small Spirts, Indian Dolls was offered as a companion work.My wife collects American Indian subjects, and finds books like this very useful.0 of 0 people found the following review helpful. Excellent bookBy Gail SThis is a very good book if you collect native American dolls. There are all different kinds, including Inuit, plains, and every other type you an think of. Highly recommended.

These endearing little emissaries personify and spread the spirit of the diverse native people from across North America and into the arctic reaches of Canada. Whether made for childrens' play or as tourists' souvenirs, their

colorful dress, ornamentation, and materials are enjoyed by doll collectors and Indian buffs alike. Here more than a hundred different dolls are grouped according to their geographical origins, including Iroquios, Seminole, Cheyenne, Navajo, and Eskimo Indian dolls, shown along with early photographs of the people and places they represent. Also, Skookum dolls, which were made as commercial items, are presented. Together, the dolls make an inspiring group and display the diversity of mankind. Value references are provided for some of the dolls.

About the Author Nancy N. Schiffer is an art historian whose interest in jewelry has evolved from studies of porcelain and decorative arts. She has written other books on jewelry and various fields of popular culture. She lives in Pennsylvania.
