## Indian Head Cents Folder 1857-1909 (Official Whitman Coin Folder)

**Whitman : Indian Head Cents Folder 1857-1909 (Official Whitman Coin Folder)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Indian Head Cents Folder 1857-1909 (Official Whitman Coin Folder):

3 of 3 people found the following review helpful. OK for for the money but cheaply made By LawMan87 Good and bad points Bad first #1 The very first coin I pushed in the entire back came off the book. Rather than sending it back, I got a glue stick and fixed it. Probably my fault for not laying it on a hard surface but still the glue holding it together is minimal at best. Good #1 Has all the date slots #2 Has slots also for the flying Eagle cents #3 Has the mintages of each of the cents to let you know how rare they are On a side note, only a couple of years of IH pennies had mint marks 1 of 1 people found the following review helpful. This folder is a great folder for storing your coins By cpava This folder is a great folder for storing your coins. The design hasn't changed from 30 or so years and they hold your coins very tight.

It is so difficult to remove the coins, which is good.4 of 4 people found the following review helpful. nice Indian Head coin bookBy Richard G. Deborah DannelsSure I'd recommend this book to a friend. It's just as nice as the ones they made years ago when I was a kid. They got to me quickly and in great shape. And this will suit my need perfectly to organize my coins.
