Not sure if they are today's prices but it gives you a starting point to figure out the price of certain items.0 of 0 people found the following review helpful. Pictures and details are a delight to see and read. Will buy some more!!

All of the beautiful American Indian jewelry shown in this book was actually for sale when the photographs were taken with the prices and ranges noted with each caption. Therefore, it will be useful to all enthusiasts of Indian arts,

because it shows hundreds of pieces that are really available on today's marketplace. The 336 beautiful color photographs demonstrate the excellent craftsmanship in the jewelry and the text presents the variations of style to be exciting. Collectors, dealers, historians and travelers to the Southwest all will enjoy the concise and informative text and visual pleasure this book presents.
