Five StarsBy Ira GoldsteinExcellent book with very good info on clock identification.2 of 2 people found the following review helpful. How to Identify Valuable ClocksBy Dr. Joseph S. MarescaWould you recognize a valuable clock if you saw it?This book provides a plethora of pictures and descriptions on a host of little-known clocks.For instance, the Belfry, Battery, Bean-engineChronograph and turret clock encasements are depictedboth pictorially and in very descriptive text.This book would be extremely helpful in valuingclocks in a personal estate. The acquisitionwould be useful for clock investors and enthusiastseverywhere.

A fully illustrated guide to a wide range of clocks from around the world.
