I have heard his original is by far the better work but unfortunately very hard to find.Overall i am happy with Jansen1 of 1 people found the following review helpful. JansenBy bballThank you for this book. I have always likes Jansen work but had no idea of the expanse of his work or styles.James Archer Abbott has done an outstanding research.Thank you!2 of 5 people found the following review helpful. beautifulBy G. Beekmana very beautiful book. I wish there were more pictures and more plans

JANSEN is the first comprehensive study of Maison Jansen - the most celebrated decorating house of the 20th century. the book documents the evolution of this legendary Paris-based company from family firm to global enterprise. It showcases over 30 of the firm's most alluring commissions, including rooms for the Duke and Duchess of Windsor, the Shah and Shahbanou of Iran, and President and Mrs. John F. Kennedy for whom Jansen renovated and

redecorated the White House. Over 300 illustrations in color and duotone.

"A critical addition to every design library A mind-boggling in its profundity of detail from remarkable sources " --
