Japanese Anime Linens: 1970s to Present

Anita Yasuda : Japanese Anime Linens: 1970s to Present before purchasing it in order to gauge whether or not it would be worth my time, and all praised Japanese Anime Linens: 1970s to Present:

3 of 3 people found the following review helpful. Showcases more than 325 photographs of vintage and contemporary

Japanese textilesBy Midwest Book ReviewJapanese Anime Linens: 1970s To Present showcases more than 325 photographs of vintage and contemporary Japanese textiles, including fabrics, handkerchiefs, yukatas, and appliques, that come alive with art celebrating characters from anime, Japanese animated film and television. Most of the figures and shows chosen are from older anime of the decades leading up to the early 90's, including such classic heroes as Goku of Dragonball Z and Astro Boy, and many others corresponding to television shows never officially translated and released in English; a few offer designs celebrating more modern shows such as Digimon. Notes on fabric designs, color trends, examples of common textile labels, and recommendations for crafts round out this impressive and beautiful collection, revealing its smorgasbord selection with all the grandeur and respect of a museum collection artbook. Recommended for fabric collectors, sewing enthusiasts, fabric historians, and Japanese pop culture fans.

Japanese Anime Linens presents a completely unique way of looking at the art of Japanese animation, or anime. Vibrant linens with recognizable cartoon characters from popular manga illustrations and anime leap from over 325 dazzling color photographs. The author has assembled an incredible selection of collectible vintage and contemporary textiles, including fabrics, handkerchiefs, yukatas, and appliques - all identified and assigned values. Informative sections on design, color trends, anime fabric resources, and manga events are included. Examples of textile labels help date and identify pieces. An additional craft and decorating section will inspire and delight quilters and home sewers alike. There are many ideas for crafts, along with suggestions on how to incorporate them into your home decor. This book is sure to delight fabric collectors, sewing enthusiasts, designers, fabric historians, and those who simply love Japanese anime and manga.

About the Author Anita Yasuda is the author of Japanese Childrens Fabrics, 1950s-1970s. She is an avid collector and dealer of vintage Japanese childrens fabrics. Frequent trips to Japan to see family keep her in touch with current trends there.
