Japanese Movie Posters: Yakuza, Monster, Pink and Horror

Tetsuya Masuda, Kairakutei Black : Japanese Movie Posters: Yakuza, Monster, Pink and Horror before purchasing it in order to gage whether or not it would be worth my time, and all praised Japanese Movie Posters: Yakuza, Monster, Pink and Horror:

0 of 0 people found the following review helpful. Tremendous fun looking through these postersBy Jessica SalmonsonTremendous fun looking through these posters! Especially the yakuza eiga posters, so many great stars with sad gazes and swift swords and pistols. The posters really take me back.0 of 0 people found the following review helpful. Five StarsBy YeSabVery cool stuff6 of 6 people found the following review helpful. Beautiful classic posters in a SUPER format!By John PettiboneIf you buy one book on Japanese cinema this year, this is it. They have done a terrific job of laying out the history of Japanese film in poster format, in correct color no less, with a lot of useful information for the Japanese film buff, and collector since many of the posters are available to order right from this

publication. My only comment is when will their nextbook be issued? Enjoy!

Accessible, fun, and colorful world of snarling gangsters, fire-breathing lizards, and animated dreams full of humor and wonder. While high-art Japanese cinema has been documented and analyzed in the West, popular and cult Japanese movies have remained largely unexplored. The fantastic vintage posters that drew the masses to Kurosawa's samurai flicks, Godzilla, and sexy Pink movies are now available to US audiences. Featuring genre classics and funky retro designs, as well as Anime, Sci-Fi and New Cinema, Japanese Movie Posters also offers irreverent commentary by poster and movie experts, as well as plenty of swords, guns, tattoos, geishas, ghosts, rubber monster suits, cartoon robots, samurais and sirens.

A gorgeous all-color tribute. -- Patrick Macias, ANIMERICAFun and informative. -- Andre Salas, Filmmaker Magazine
About the AuthorBased in Tokyo, cocoro books specializes in visually stunning books about Japan's vibrant pop and anime subcultures.
