Japanese Warrior Costumes Paper Dolls (Dover Paper Dolls)

Ming-Ju Sun : Japanese Warrior Costumes Paper Dolls (Dover Paper Dolls) before purchasing it in order to gage whether or not it would be worth my time, and all praised Japanese Warrior Costumes Paper Dolls (Dover Paper Dolls):

Neither the costumes nor the cardboard figures are perforated, so in order to "dress up" the figures, you have to do a lot of very careful cutting-out. I haven't attempted it, as I don't think the results would be that good, and I would probably wind up spoiling the pictures. I have not returned the item as it was inexpensive, but it hasn't fulfilled the function for which I bought it, namely, for my almost-5 year old to play with.1 of 1 people found the following review helpful. samuraiBy funner thingsI love paper dolls because collecting them is a good and inexpensive way of collecting samples of clothing by era or type for very little money.1 of 1 people found the following review helpful. Five StarsBy Jack M EnglebrechtGreat gift for a coworker - working

for a Japanese company this was big hit

2 handsome, young samurai figures accompanied by 16 authentic costumes from the Kamakura period (1185-1392) to the Meiji Restoration (1868-1912). Finely detailed outfits for a warrior general, a member of the imperial guard, an armored warrior, and more, plus weapons, headgear, hairstyles, and other authentically rendered accessories.
