Beautiful cards, definitely worth buyingBy Caitlin B.I kind of wish they weren't so big and thick that they required extra postage, but that's my only complaint. The prints are gorgeous; the pictures online really don't do the vibrant colors justice. All 30 cards are unique, so there aren't any duplicates. I bought them for Postcrossing and they're so lovely that it's been kind of hard to part with each of them, but that only amplifies the feeling that I really got my money's worth for these. Yay!1 of 1 people found the following review helpful. Beautiful postcards - artwise and cardwise!By DheepikaaOne of the best postcard collections I have purchased in the past year or so. I love the large size and the clarity in the print. The art is so beautiful too! I am an avid postcard writer and I am looking for variety cuz sometimes my recipients are the same people... otherwise I'd buy three of this again.0 of 0 people found the following review helpful. Beautiful images that are lesser-known - I particularly liked the ...By InoplanetiankaBeautiful images that are lesser-known - I particularly liked the series of songbirds with flowers. If you're intending to send them in the US with postcard stamps, however, be aware that they are larger than standard postcard size, so require full letter postage.

From the James A. Michener collection at the Honolulu Museum of Art comes these exquisite Japanese woodblock prints, bound together in an attractive postcard book. The Honolulu Museum of Art is home to prints by renowned Japanese artists Suzuki Harunobu, Katsukawa Shuncho, and Utagawa Hiroshige, a leader in the development of the ukiyo-e landscape style, or "art of the floating world." The Japanese Woodblock Print Postcard Book features 30 unique designs that are perfect for everyday postal use, but also stunning as a collection. -30 postcards-30 unique images-Perforated to send or save-Book: 6 1/2 x 4 3/4 x 1/2 in.
