Jefferson Nickels Album, 1938-2012 PD (Cornerstone Coin Albums)

Staff of Zyrus Press : Jefferson Nickels Album, 1938-2012 PD (Cornerstone Coin Albums) before purchasing it in order to gage whether or not it would be worth my time, and all praised Jefferson Nickels Album, 1938-2012 PD (Cornerstone Coin Albums):

2 of 2 people found the following review helpful. Great Coin AlbumBy Tim GuyerThis is a great album for anyone who collects coins. I have several other of their products, and would move all my collections to these as available.1 of 1 people found the following review helpful. Jefferson AlbumBy ramrocI Well done. I wish it had proof items also.

Then it would be complete. A real value item for the normal collector. Not for the pros.1 of 1 people found the following review helpful. Excellent ProductBy Sullyexcellent product - my 6 year old granddaughter and I enjoy reading the history and matching nickels to the album.

The Cornerstone Jefferson Nickels album is ther perfect way to store, collect and learn about the United States Mint

Jefferson nickels. Inside you will find informative facts about the history of the United States Mint and the five-cent piece, why Jefferson was chosen to be the face of the nickel, and more about the life of Thomas Jefferson before and after he served as the third President of the United States. Beginners will benefit from tips about how to grade and handle Jefferson nickels, along with information about how to assemble more advanced nickel type collections. With the unique dual lens page design, you can view both the front and back of each coin while enjoying a fun, educational and practical storage solution for your Jefferson nickels. No matter which denomination or series you choose to collect, Cornerstone albums are an ideal companion for your journey into the fascinating hobby of numismatics!
