Jewelry by Joan Rivers

Joan Rivers : Jewelry by Joan Rivers before purchasing it in order to gage whether or not it would be worth my time, and all praised Jewelry by Joan Rivers:

All of Joan Rivers' love and knowledge of jewelry is reflected in the pieces she designs for her own collection, hundreds of which are reproduced here in specially commissioned full-color photos. She also takes readers behind the scenes to show how fine costume jewelry is crafted, from initial sketches to finished product. Full-color illustrations.
