[PDF] Maxfield Parrish: Identification and Price Guide, 4th Edition

## **Maxfield Parrish: Identification and Price Guide, 4th Edition**

**Erwin Flacks : Maxfield Parrish: Identification and Price Guide, 4th Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Maxfield Parrish: Identification and Price Guide, 4th Edition:

0 of 0 people found the following review helpful. Happy!By Linda LouAvid collector, great guide.0 of 0 people found the following review helpful. Helpful all around guideBy Bryan D. RoyHaving as much data as possible in one book is what I like about it. The prices are subject to opinion and as a rule of thumb, I feel 50% is what items may actually sell for so be sure to use your gut instint and do not pay too much. The book is priced right although I wish there could

have been more color pics to get a better feel what some of his work really looks like. So until a updated version comes along, I will be happy with this one.0 of 0 people found the following review helpful. Prompt service and product was as describedBy Frederic N hornerEverything was fine with the item. It was as described, packaged well and its condition was excellent.

The long-awaited 4th edition of the best-selling identification and price guide is now more valuable than ever. Completely updated, this new edition contains current pricing, a 16-page section of full-color prints, and a foreword from Parrish expert, Alma Gilbert-Smith. Also included in this is an updated introduction with the author's reflections on how eBay and other online auctions have significantly affected the collectors' market. Informative and accurate, this guide is THE indispensable reference for anyone interested in America's most collected illustrator.

".... It is a comprehensive guide to all that is Parrish." -- January Magazine, December 1998 ".... Last published in 1995, this completely overhauled and updated edition has valuable new pricing information..." --Antique , December 1998
