Wagoner good condition for used book and reasonable price, get most of my books through . always in good condition and delivered in timely manner 1 of 1 people found the following review helpful. Expand your collection with non-US toys! By bradice906@aol.com You may have never thought you'd find a "foreign" McD's toy at a garage sale in Kansas, but it happens! Sometimes European toys are used as fill-ins here in the US, or someone may have taken a vacation and eaten at McD's! The foreign toys are very exciting and even if they parallel a promo in the US (such as Disney's "Aladdin"), they aren't always the same toys. Full-color photos let you know exactly what you have and what you need to finish that set. 0 of 0 people found the following review helpful. Disappointed with inaccuracies re NZ / AUS toys By A Customer I am a NZ collector and have kept records for last 5 1/2 years which do not agree with descriptions, dates and other catalog info published in this book. Having written to Author with correction list, like a few others have also done, I was disappointed with the total nil-response. Many NZ collectors are still trying to find toys that were never released here, though the book says otherwise. Pictures etc still helpful for reference regarding some countries.

Welcome to the world of McDonald's Happy Meal* collectibles. These two books (USA and Worldwide) present a

thorough list and complete Price Guide for the thousands of toys and collectibles distributed with Happy Meal® boxes and bags. Together, they are the most authoritative references. Thousands of all-color photographs show the toys, boxes, bags, advertising materials, buttons, pins, and variations given out both in the United States (one book) and in all the other countries around the world (another book). The authors have established a definitive numbering system to identify each and every item distributed with an alphabetical/numerical listing, and a cross-reference superseding numbering systems in other books. This set of books gives a time line of McDonald's Corporation history, check-off boxes to help you organize your collection, and the catalog of the items distributed with a Happy Meal® in the USA and worldwide. Read along and enjoy the fun!
